*Baltimore SmartCEO Announces 2011 Fast Growth Companies*

**January 1, 2011** – *Baltimore SmartCEO* magazine, in partnership with the Baltimore Marriott Waterfront Hotel, announced today its list of Baltimore’s fastest-growing companies – the recipients of the publication’s seventh-annual Future 50 awards. These dynamic companies, which collectively employ 11,000 people and generate over \$3.6 billion in revenue, were profiled in the January 2011 issue of *Baltimore SmartCEO*.

Future 50 is SmartCEO’s largest and most highly anticipated program of the year, recognizing 50 local companies based on their revenue and employee growth over a three-year period. These companies, each of which earn in excess of \$5 million in annual revenue, represent the future of the region’s economy and are exemplary leaders in business. This year’s Future 50 winners represented diverse industries, including technology, health, finance, real estate, insurance, biotech and many others.

In addition to recognizing Future 50 winners, *SmartCEO* honors 10 companies in the Emerging Growth category. Emerging Growth honors fast-growing Baltimore companies that generate less than \$5 million in revenue.

Winners will be recognized at the *Baltimore SmartCEO* Future 50 event, scheduled to take place Jan. 6, 2011, at the Baltimore Marriott Waterfront Hotel. Robert Half

“Each Future 50 and Emerging Growth winner has effectively translated their passion and innovation into tremendous growth and success,” says Craig Burris, publisher of *SmartCEO* magazine. “We are honored to recognize the 60 fastest-growing companies in Greater Baltimore.”

For a complete list of winners, see below or visit [www.smartceo.com](http://www.smartceo.com). Nominations for Future 50 closed in mid-October. Nominations for the 2012 program are expected to open in mid-August.
